

Introducing Mobile Pay for your *Card with a Heart*®!

When you add your Lane Health *Card with a Heart*® to your phone's digital wallet, you get a convenient, secure, and contactless payment option for your healthcare expenses.

Here's how to add your *Card with a Heart*® to your digital wallet:

- + Open the digital wallet on your phone (Apple Pay, Google Pay, or Samsung Pay)
- + Scan your card or enter your card details
- + Accept the Terms & Conditions and authenticate with a quick text or email
- + Your *Card with a Heart*® is ready to use!
